WHITE SOX WORLD CHAMPIONS

Comiskey's American League Leaders Stop the Chesty Giants on Their Home Lot in One of the Best Played Games of the Series.

McGRAW TRUSTS FINAL TO BENTON WHO FAILED UNDER HEAVY ATTACK

Faber, The Chicago Hope, Lasted the Entire Nine Innings and Was Never in Danger. Giants Make Many "Fozzles" in Field.

POLO GROUNDS, NEW YORK, October 15.—The Chicago American League pennant winners marched triumphantly off with the world series championship today by defeating the New York Giants. "Red" Faber pitched a superb game for his Chicago mates.

Thirty-three thousand and six townspeople saw the Giants defensive blow up in the fourth inning, which with a couple of sharp hits put the Sox in the lead and they were never headed.

The Giants garnered their two runs on a couple of passes and a three-pley punch by Herzog. The following official score will tell how the White Sox put the rollers under the National League Champions:

FIRST INNING.
The umpires conferred with the managers at the plate before the game to discuss rules for fielding discipline. Judge Hyland, Democratic candidate for mayor, threw out the ball as J. Collins came up. Fletcher came in behind Benton and took Collins' mound and threw him out. McMullen sent up a weak four to Rariden. E. Collins singled sharply over second. Herzog took Jackson's slow roller and tossed him out. No runs, one hit, no errors.

E. Collins threw out Burns at first. Burns hitting the first ball pitched. Herzog shot a single over McMullen's head. The stands breaking into a cheer. Kauff struck out. Faber's wide curves being too much for him. Zimmerman sent a long drive into Jackson's hands. No runs, one hit, no errors.

SECOND INNING
Felsch struck out. Gandil punched a single over the middle bag. Herzog threw out Weaver. Gandil moving to second. Zimmerman threw out Schalk making a nice play on the Chicago catcher's grounder. No runs, one hit, no errors.

Schalk ran down the line and took Fletcher's roller and threw him out. E. Collins took Robertson's drive and got his man at first. Holke got a double against the left field fence. A little higher and it would have gone in to the stands for a home run. E. Collins threw out Rariden who hit the first ball pitched. No runs, one hit, no errors.

THIRD INNING
Faber struck out. J. Collins popped a fly to Herzog. Benton was using a quick drop ball which he kept around the batters' knees and McMullen fanned. It was Benton's third strikeout and the crowd cheered him. No runs, no hits, no errors.

Faber put over an out curve for a third strike and Benton sat down. Burns sent out a hot liner to Felsch. Herzog sent a high fly to Felsch. No runs, one hit, no errors.

FOURTH INNING.
Zimmerman took Collins' grounder and threw wildly to the stands. Collins went to second. Jackson sent up a high fly to Robertson who dropped the ball. E. Collins dashed to third. Jackson holding first when Robertson threw to third. The New York infield played in on the grass. Benton took Felsch's grounder and ran over to tag Collins. Benton tossed to Zimmerman who ran after Collins and chased him across the plate for a run. Jackson and Felsch scored on Gandil's single to right. Robertson to Herzog. Weaver sent a long fly to Burns. Schalk shot a hot single into left. Faber walked. Fletcher threw out Collins. Three runs, two hits and two errors.

E. Collins took Kauff's roller and threw him out. Zimmerman sent up a high fly to J. Collins. Fletcher got a hit off McMullen's glove, the ball bounced to Weaver who nearly threw

his throw to the plate. One run, two hits, one error.
Robertson claimed the 2nd ball struck his hand and Umpire Klem allowed the claim. Collins threw out Holke at first. Robertson going to second. Rariden fanned. McCarthy batted for Perritt. Collins tossed out McCarthy. No runs, no hits, no errors.

Umpires at plate Klem, first base Oloughlin, 2nd base Evans, 3rd base Rigler, time 2:18.

MRS. H. O. HAVEMEYER, JR.

LA FOLLETTE'S REQUEST IS TURNED DOWN

Senator Pomerene Doesn't Take to Broad Inquiry.

Washington, October 15.—Chairman Pomerene of the Senate Committee investigating LaFollette's St. Paul speech today refused LaFollette's request that the inquiry be broadened to convict or acquit him of disloyalty and held that the investigations could only concern his speech.

PUSHING ON AGAINST RUSS

Rapid Progress Being Made by German Troops.

Berlin, October 15.—Via London.—Rapid progress has been made by the German troops which landed on the Russian islands of Oesel, according to the official statement today by the German War Office. German warships shelled the Russian land batteries and silenced them. Svorb Peninsula has been cut off from the northern part of the island.

OCCUPY CAPITAL

Petrograd, October 15.—German forces which landed on the island of Oesel at the head of the Gulf of Riga on Friday occupied Arensburg, the capital of the island on Saturday. It was announced today by the Russian war office. Arensburg is on the southern shore of Oesel island. The northern group of German warships, the statement adds, dispatched a torpedo boat squadron between the islands of Oesel and Dago which pressed

WILL SEND NEGROES TO CAMP SHERMAN

Columbus, O., October 15.—Provost Marshal General Crowder at Washington today notified Governor Cox that Ohio conscripted negroes will be sent to Camp Sherman during the five days beginning October 27th. There are approximately 2,000 negro conscripts in Ohio.

THE GERMANS PUSH BACK RUSS ARMIES

Petrograd, October 15.—The German forces which were landed on Oesel Island at the head of the Gulf of Riga, are pushing forward to the east and south, placing in a difficult position the Russian forces at the southern end of the island especially those on the Cerril peninsula. Military critics predict action in the Gulf of Riga.

FINNISH DIET WILL MEET SOON

Dissolved by the Russian Government Several Weeks Ago.

Petrograd, October 15.—The Finnish Diet has been called to meet November 1st. The Finnish Diet was dissolved by the Provisional Russian government several weeks ago for its extreme stand on the question of the autonomy for the province. New elections were held October 4, the unified bourgeoisie and the social democrats receiving 60,000, of the 76,000 votes cast.

BRITISH BOMBARDED IN NEW POSITIONS BY GERMAN ARTILLERY

Attempt to Forestall New Drive by the Allies.

Weather Conditions Retard Both Armies.

By Associated Press Dispatch.
Heavy artillery actions are again in progress on the Flanders front. London official reports today speak of a strong bombardment of the new British position south of Broodseinde. In the light of previous experiences this many view as indicating German counter artillery work against the intensive British artillery fire in progress preparatory to another drive.

The British artillery now has superior positions from which to work as they must by this time have had ample opportunity for the heavy guns to be put in position on the dominant high ground taken in the recent advances. It does seem possible that Haig will not delay his next drive beyond the time when these guns have had an opportunity to break up the concrete constructions as the Germans have been able to build in their defensive zone. The weather is an important element in this consideration as the continuation of hard storms not only keeps the ground in a state well nigh prohibitive of infantry action but interferes seriously with the vital aerial observation work.

Consequently the news that there had not been a great disaster came as a great relief.

DEATH CALLS CONSPICUOUS PUBLIC MAN

Detroit, Mich., October 15.—Don M. Dickinson, postmaster general under President Cleveland, died at his home in Trenton, a suburb, today.

Mr. Dickinson was 71 years of age. He had been in poor health for three years. For many years Dickinson was a leader in Democratic politics. He was a lawyer and served the United States government in taking charge of several cases of international importance.

Don M. Dickinson, lawyer, formerly was a leader in the Democratic party in Michigan as postmaster-general in Pres. Cleveland's first administration and was offered but declined a cabinet position in Cleveland's second administration.

MINERS TO STRIKE

Columbus, O., October 15.—Secretary of State Fulton announced today that he will go before the State Emergency Board late today and ask for \$25,000 with which to pay the expenses of state election officials in registering and voting soldiers at Montgomery, Alabama, Ft. Benjamin Harrison, and Camp Sherman. The election officials will go to Montgomery in about one week. They will make the trip by special train.

EXPLOSION IN DU PONT POWDER PLANT

Philadelphia, Pa., October 15.—

An explosion in the nitro starch dry house at the Du Pont Powder works at Gibbstown, N. J., resulted in the instant death of two workmen. A third man is missing. The bodies were blown to pieces. Another man was seriously injured.

The destroyed building was a small one story structure isolated from the rest of the plant and the force consisted of the four men mentioned.

Because of the terrific force of the explosion most alarming reports as to its extent were in circulation. Almost everyone in Philadelphia, 20 miles distant, felt it, and surrounding towns in New Jersey reported shattered windows and other ill effects.

Consequently the news that there had not been a great disaster came as a great relief.

DUTCH GIRL SHOT AS SPY

Paris, October 15.—Mata-Hari, the Dutch dancer and adventuress who two months ago was found guilty on the charge of espionage, was shot at dawn this morning.

Mata-Hari, long known in Europe as a woman of great attractiveness and with a romantic history, was, according to unofficial dispatches, accused of conveying to the Germans the secret of the construction of the Entente "Ranks," this resulting in enemy rushing work on a special gas to combat their operation. She was arrested in Paris, having been seen there with a young British officer.

Her conviction was confirmed by a court of revision and on September 28 the Supreme Court confirmed the previous finding.

OFFICIALS' PAY

Columbus, O., October 15.—Secretary of State Fulton announced today that he will go before the State Emergency Board late today and ask for \$25,000 with which to pay the expenses of state election officials in registering and voting soldiers at Montgomery, Alabama, Ft. Benjamin Harrison, and Camp Sherman. The election officials will go to Montgomery in about one week. They will make the trip by special train.

MARRIAGE LICENSES

W. E. Rowell, 28, telephone operator, Jeffersonville, and Addie Flint, 26, this city.

PUBLIC SALE

Having given up this farm we will sell at Public Auction on the "Widow Kuhl" farm, situated 3 miles from Good Hope and four miles from Greenfield on the Good Hope and Greenfield pike, on

FRIDAY, OCTOBER 26, beginning at 10 o'clock, the following property:

HORSES—5 HEAD

One black gelding, 8 years old, weight about 1300 lbs. One black mare 8 years old, weight about 1200 lbs. One brown gelding 5 years old, weight about 1400 lbs. One roan gelding, 9 years old, weight 1350 lbs. One bay gelding, 8 years old, weight about 1000 lbs., a good driver and family broke.

CATTLE

2 good milch cows. These cows are good ones and will show for themselves.

HOGS—34 HEAD

4 sows bred and one with pigs by side. 29 shoats weight over 100 lbs.

IMPLEMENTS

One Weber box-bed wagon. One Deering binder 7 foot cut, a good one. One "Farmers Favorite" wheat drill a 10-8. Two double disc harrows good ones. One McCormick Mowing Machine, 5 foot cut. One Black Hawk corn planter with fertilizer attachment and 80 rods of wire. Two Ohio cultivators, good as new. Two breaking plows, good ones with extra points. One gravel bed, good as new. One grindstone. Four hog boxes. Two feed boxes. Harness for 4 horses. One double set tug harness. One double set chain harness. One set single driving harness. One end spring buggy—a good one, if not sold before day of sale. One 7-gallon patent churn. One new cross cut saw. One spring seat for wagon.

GRAIN

1000 more or less shocks of corn. Some hay in mow and about 10 bushels clover seed.

TERMS OF SALE

\$5.00 and under, cash. Over that amount a credit of 9 months will be given, purchaser given a bankable note bearing 6 per cent interest from date.

JAMES M. & W. E. CAMPBELL, R.T. SCOTT, Auctioneers, GEORGE GHORMLEY, Clerk, Lunch served by Ladies Aid of Camp Grove Church.

THIS WEEK, NERVOUS WOMAN TOOK VINOL

It Made Her Strong and Well

Barneveld, Wis.—"I was in a weak, nervous, run-down, anaemic condition, so that my housework was a burden. Vinol was recommended, and it made me well and strong. It is certainly the best tonic and strength creator I have ever taken."—Mrs. John Lewis.

Vinol is a cod liver and iron constitutional remedy for weak, nervous, run-down conditions of men, women and children. Your money will be returned if it does not help you.

GAS SUPPLY WILL BE AMPLE IS BELIEF

Officials of Local Company, However, Urge Users to Be Conservative.

Our Supply Has Always Been Ample.

Producing Company Has Greatly Increased Capacity.

The Washington Gas & Electric Co. has received many inquiries regarding the possible failure of the natural gas supply during portions of the coming winter. It has even been thought by many people that the company would not allow gas to be used for house heating purposes. We have no reason to believe that the gas supply will be insufficient for all ordinary requirements and we do not intend to prohibit the use of gas for house heating.

The supply of natural gas to Washington depends on the flow of gas at the wells, the capacity of the pumping stations, the capacity of the pipe lines and the carrying capacity of our street mains. Without doubt, the capacity of this equipment will be severely taxed this winter by the greatly increased consumption resulting from the more general use of gas for house heating. It might be of interest to learn what measures have been provided during the past year to meet the expected demand.

The Ohio Fuel Supply Co., which furnishes gas to the local company, has brought in several new wells in both their Ohio and West Virginia field. These new wells are enormous producers, their combined flow being in excess of 150 million cubic feet per day. In order to handle the increased volume of gas the company has installed some additional

large compressors at their Sugar Grove station. Within the last year the Ohio Fuel Co. has purchased the property of the Central Contract & Finance Co., which formerly furnished our gas, and has tied together some of the pipe lines of the two companies. One such connection is in the vicinity of Mt. Sterling, near the head of the Washington C. H. branch line. The enormous system of the Ohio Fuel Supply Co. is now enabled to exchange gas with the smaller lines from which our supply was formerly obtained. It also has a large connecting line reaching from West Virginia to the Sugar Grove station in Vinton County.

The local company has installed an additional regulator in the northern part of the city and has made a number of tie-ins and other improvements in the distributing mains. In the event that low pressure is experienced at any time, such emergency measures as are practical will be taken to improve the situation, as has been the practice of the company in the past.

Whether the steps taken to provide for the increased demand for gas will be entirely adequate or not is quite problematic. As we cannot with certainty predict the future, it might be well for those who can do so, to have on hand an emergency source of heat such as a small quantity of coal or wood, or an oil stove. However, we believe that there is no need for apprehension. There have been some days, it is true, when the pressure has been low, but we have been fortunate in always having a fairly adequate supply, even when other cities have been without gas. So far as our present knowledge of the situation goes, we have every reason to believe that our gas supply in Washington will be practically the same as during previous seasons.

Washington Gas & Electric Co.

AT THE PALACE

William Fox will present "The Conqueror," with William Farnum in the leading role at the Palace Theater on October 17 and 18. "The Conqueror" is an R. A. Walsh production, and is screened with all the care and attention to detail that is so characteristic of Walsh pictures.

William Farnum appears in the interesting character of Sam Houston, a historic figure in the early days of Texas, whose strong manly vigor and personality carries everything before him, including the love of the "Tennessee Rose," the flower of Southern aristocracy. Houston's rapid rise to power from a rough frontiersman to governor of a state is one of the most vivid picture stories ever told.

The battle between the Mexicans and a detachment of Texas rangers and friendly Indians is one of the most realistic battle scenes ever filmed and is even more exciting than other famous battle pictures. "The Conqueror," all in all, is a wonderful photodrama, that will take the picture world by storm.

General Sam Houston in 1836, in command of a few hundred raw troops, met about 1600 Mexican veterans, led by Santa Anna, on the banks of the San Jacinto. The battle was a rout for the Mexicans, and the next day Santa Anna was taken prisoner. Texas' independence was won by this victory.

THE WHOLE NEIGHBORHOOD KNOWS

Mrs. Anna Pelzer, 2526 Jefferson St., So. Omaha, Neb., writes, "Foley's Honey and Tar cured my daughter of a bad cold. My neighbor, Mrs. Benson cured herself and family with Foley's Honey and Tar and in fact most everyone in our neighborhood speaks highly of it as a good remedy for coughs and colds." Blackmer & Tanquary, advt.

INSTRUCTIONS GIVEN TO BANK EXAMINERS

(By American Press) Washington, Oct. 15.—Treasury officials, concerned over the downward tendency of the bond market as an outgrowth of liberty loan financing, have determined to take steps to check the shrinkage in gilt-edge bond values so far as consistent with governmental action and sound financing. To this end the comptroller of the currency issued a statement announcing that he had instructed all national bank examiners that they need not require national banks holding high-grade bonds of unquestioned intrinsic value and merit to charge them down to present abnormal figures, but to exercise "an intelligent and conservative discretion" as to the prices at which the banks can continue to carry such securities.

This action, it is thought, will tend to prevent undue tightening of the money market with the further decline of bonds, a process which, if continued for a considerable period of time, might lead to heavy losses by the investors in such securities and to the consequent detriment of the properties upon which they are issued.

Similar action was taken by the comptroller at the outbreak of the European war, when security values dropped precipitately to low records.

"FINGY" CONNORS TO BE GENERAL OF THE STEVEDORE BRIGADE

A brigade of American "dock wall-lopers" is to carry the American flag to France. Three regiments of stevedores and longshoremen are already practically organized and "Fingy" Connors, publisher and politician of Buffalo, N. Y., is to lead them. "Fingy" volunteered his services and probably will be made a brigadier-general. The former Democratic National Committeeman of New York is looked upon by Administration leaders as an ideal man for the job.

FAST WORK DURING LAST FEW MINUTES OF PLAY WINS GAME

The strong Greenfield football team thought they had a tie game out of the contest with Washington High. Saturday afternoon, when the two teams met on the local gridiron in the presence of some 200 persons, including a strong support for the Greenfield team, but the last three minutes of play turned the trick and wound up the game with a 20 to 7 score in favor of Washington High.

During the last three minutes, led by their plucky captain, Art Lewis, and his energetic lieutenant, Die Willis, the Washington Hi boys fought like tigers and scored two touchdowns, thus boosting the Blue and White banner to a high place among the banners of the High School teams in Southern Ohio.

The game opened with Washington receiving the ball and making a touch down in the first five minutes of play.

Lewis made a 30 yard run off a forward pass, and J. Burnett went around the end for 25 yards.

Reardon played his first game as center for Washington, and did splendidly. The entire team worked like a smooth running machine, and the Greenfield boys put up some of the hardest play ever seen on the local gridiron, but were outclassed by Washington High.

Heaton and Wolke starred for Greenfield.

The line-ups were as follows:

Washington — Lewis (c), le; Markley, lt; H. Burnett, lg; Reardon, c; Haynes, rg; Reno, rt; Edwards, re; W. Willis, q; J. Burnett, lb; R. Willis, fb; Swartz, rb; Greenfield — Iseman, le; Irvine, rt; Irvin, lg; Yowell, c; McCord, rg; Clark, rt; Harps, re; Shrock, q; Daugherty, lb; Heaton, fb; Wolfe, rb.

Substitutes for Washington—Moore for Haynes; Hays for Edwards; Edwards for Swartz.

Washington touchdowns—W. Willis; R. Willis; J. Burnett.

Kicked goals—R. Willis, 2.

Greenfield touchdowns—Daugherty, Goals, 1.

Head Lineman, Brown.

Time keeper—O'Brian.

Washington goes to Springfield next Saturday afternoon, where they expect to win the fifth victory of the series.

The local team was somewhat doubtful about the Greenfield team, but not of the outcome with Springfield, although Springfield has a good team.

O. W. N FACULTY PRESENT WAR PLAY

Delaware, October 15.—The faculty of Ohio Wesleyan University presented a play "War" for the benefit of the Red Cross on Saturday night, in the local opera house. The masque was an allegory and was written by Professor Newcomb of the department of oratory of the college.

Even in the days of the inquisition they never locked the victim in a room and compelled him to listen to hours of piano practice.

ROAD WORK TO BEGIN AT ONCE

Under the plan of the county paying one-half and the state the remaining one-half, the work of repairing the Washington and Jamestown and the Washington and Chillicothe pikes will be taken up within the next few days, and the Federal Government will assist in the work by seeing that material in transit is given preference and rushed through without delay.

The entire road passing through this county is to receive attention under the recent emergency plan agreed upon, and wherever the road gives evidence of being badly worn it will be substantially repaired by the application of crushed stone and the material rolled and placed in something like shape.

Some sections of the road will require an unbroken string of crushed stone, and the work this fall will require scores of car loads of crushed stone.

The work is to be taken up in sections and pushed to completion before the severe weather develops, in order that the road may carry the greatly increased traffic through the county, due to the training camp at Chillicothe.

OPEN RECRUITING STATION IN CITY

Corporal Schmidt and Corporal Grayson, of the United States Army, are now located at the Arlington Hotel where they will remain until Saturday night for the purpose of recruiting men for virtually all branches of the United States Army.

Those desiring to enlist will find the two officers on duty throughout each day.

DEATHS EXCEEDS BIRTHS

Paris, Oct. 15.—Only 312,000 children were born in France during 1916. In the same period there were 769,000 deaths among the civilian population, and 464,000 among the military forces, making an excess of deaths over births of 787,000. Before the war the estimated number of deaths annually in France was 725,000 and the number of births 775,000, making an excess of births over deaths of 50,000.

DR. JACKSON DISCUSSES ISSUES OF THE HOUR

Dr. J. C. Jackson, Dist. Supt. of the Chillicothe District held the first Quarterly Meeting for the present conference year at Jeffersonville Saturday and Sunday.

Sunday morning he delivered an unusually able discourse along a patriotic line, closing with a strong appeal for the purchase of Liberty Bonds.

In his review of the world's history, he showed how slavery and polygamy had been rooted out among the nations and that the death knell had been rung for the liquor traffic, and that soon right and not might would rule in the world.

The Campaign Against Russia

Mastered and beaten back on the western fronts—the real fighting ground of the war—the Germans are making a demonstration against Russia.
 Of course war furnishes some strange developments and the real purpose of many of the moves, made by the masters as they play the deadly game, are not readily comprehended by the uneducated.
 There may be some direct objective, in the eastern theatre of war, which the German forces are endeavoring to attain before the coming of winter and the seizure of the islands may be the first steps in that plan.
 It seems, though, inconceivable that Germany is launching, at this time of the year, any real offensive in the east designed to capture Petrograd.

It seems much more reasonable to believe that the German war lords are merely staging a diversion, not so much to mislead their real foes as to counteract the effect on the German people which the decisive defeats on the western front have produced.
 No doubt these "victories" against disorganized and helpless Russia will be dilated upon by the war party in Germany in the hope that the suffering people will forget their woes and defeats in the west which prophesy, with such unerring accuracy, the coming of the inevitable. Perhaps the flimsy pretext of sweeping successes in the east and the promise of the capture of the Russian capital will serve to prolong the hold of the war power and quiet the growing agitation for relief—perhaps.

With any other people so patent a play would fail—perhaps it may fail with the Germans too.
The Chillicothe Pike
 The fact that federal and state authorities have taken the initiative in formally and finally recognizing the necessity for improving, substantially, the pike leading from Dayton to Chillicothe through Fayette County, means a great deal, both in the character of the improvement and the time within which the work will be commenced.
 The enormous amount of travel that has been passing over that pike from end to end ever since the cantonment site was located at Chillicothe has torn it to pieces.
 The certainty that the present enormous amount of travel will, so far as tonnage is concerned at any rate, be almost double in the near future and that the winter months will see no decrease in that traffic, has made the need of permanent improvement imperative.
 Army officials recognize that it is going to be impossible to transport all the supplies to Camp Sherman by railroad and that each one of the pikes leading to Chillicothe must be at once put in a condition which will make practical the transportation of heavy freight carrying trucks.
 Especially is that true with reference to the main highway leading through this county over which must pass the heavy freight shipments from the wholesale houses in this city and Dayton.
 The federal authorities realizing all that have ordered the improvement as a military necessity and called into consultation state and local officials.
 That means quicker results,—a much quicker start and more rapid construction than if the necessity was declared from this end of the line.

Travelers Suffer from Late Trains

The best laid plans of the traveling public are now being disturbed by the terribly congested traffic conditions, which are greatly interfering with the schedule of passenger trains all over the country.
 No man is safe in promising to be on time. How can he hope to be when the train on which he rides is constantly being sidetracked while a troop train goes by, or for a train of coal—that precious commodity that most needs the right of way—just now—or for other freight for the time being more important than the traveler's convenience or even his pressing business.
 It is government orders that passenger trains step aside and give the right of way to soldiers or to important freight.
 There is another resort for tardy trains not perhaps known to the general public—that is the unusual wear and strain on passenger engines. These engines, contrary to the usual run of two days in and one day out, are now running every day and have no chance for the usual repairs in the shops. Therefore there is more than the customary engine trouble.
 The way the traveling man takes these delays is an epitome upon the good nature as well as patriotism of the traveling salesman. Occasionally there is an outburst of wrath but in the main he possesses a job like patience. It is his country and his country's needs that are interfering with his own business and his own pleasure and he recognizes that this is only another way of "doing his bit."

Poetry For Today

THE SONG OF THE AEROPLANE.
 With a rush and a roar I leap from the shore
 Into a sea of air,
 No breakers ahead, no rock to dread,
 And devil a one to care.

I'm off on a trip like the crack of a whip,
 Cleaving my way to the sky;
 Over houses and trees, mountains and seas,
 Swiftly onward I fly.

I thrill with delight when into my sight
 The quarry looms ahead,
 With a twist and a pull I'm over the fool,
 Burning the air with my lead.

I circle and glide, I dart and I slide
 With the joy of mastery,
 While through his quivering wings
 Each bullet sings
 Its song of victory.

With a wavering lung and a hurtling plunge
 He falls to the earth below,
 While I sail away, hunting more prey
 Through the fading daylight's glow.
 —New York Herald.

WORTH THEIR WEIGHT IN GOLD

No man can do his best when suffering from backache, rheumatic pains, swollen joints or sore muscles. B. H. Stone, 840 N. 2nd St. Reading, Pa., writes: "For months I was unable to attend to business. I used Foley Kidney Pills and soon the pains and aches were gone. They are worth their weight in gold to me." Blackmer & Tanquary, advt.

THE OLD RELIABLE STILL IN THE LEAD

We have a shipment of those good sweet hams, arrived yesterday, 32c per lb. Will cut and sell half hams at same price. Extra fine Jonathan apples, fine for eating. Peaches, oranges, lemons, jumbo bananas, ripe tomatoes, green corn, turnips, solid cabbage, crisp celery, Jersey sweet potatoes, five cents per pound. Pickled pork 37 cents per pound. This is a cheap piece of meat as there is, no waste. Basket grapes 35 cents per basket. 25 pounds best cane granulated sugar \$2.35. New cream nuts 20 cents per pound.
 Duffee's Cough Syrup finest on earth for all coughs, colds and grip, contains no opiates or poisons. Big six ounce bottle for 35 cents.

FIND YOURSELF

How do you like your job? Is it one that you are so interested in you forget to watch the clock? If it is you are indeed fortunate. Or, is it one where you say, "Well, I got to stall through another day till the whistle blows?" If it is you'd better quit before you become a drifter. Ever see a "live wire" look at the clock? If you did it only made him sore that there wasn't more time to do the things he wanted to do. Pull yourself out from under the bed, find the work you like and go to it. In years to come you'll have nobody to blame but yourself if you don't. Find yourself.

SERVICE FLAGS FLOAT FROM LOCAL HOMES

Two service flags are seen unfurled from the windows of Washington's homes and it will probably be only a short time before from many other homes will float the same symbol.

These are the new flags having on them stars showing the number of boys gone out from the home to service.

Both of these flags bear but one star. One was sent by Lieutenant Billie E. Paul of the Rainbow Division, to his mother, Mrs. G. M. Paul, of So. North street and the other by Lieutenant H. D. Rand of Camp Sherman to his wife, nee Josephine Hidy, residing in the Van Winkle home on East street.

The flags are unusual and attractive—red, with white centers, in the heart of which rests a blue star. Where more than one boy has gone from the home additional stars rest on the white background.

HEAVY ELECTRIC STORM IN MADISON

Late Sunday afternoon a heavy electric storm swept over Madison county from south-west to north-east.

A heavy downpour of rain accompanied the electrical display, which was unusually severe for this period of the year.

Sunday night a light electrical storm visited this city and county. The rainfall was light.

AUTO HITS TREE

Too much speed on a narrow road

is said to have been responsible for an automobile accident near the Junk residence on the Chillicothe pike, Sunday, when a big machine went over an embankment and struck a tree at the roadside.
 No one was injured, but the machine was badly damaged.

GOVERNOR COX TO VISIT BIG CAMP

Chillicothe, O., October 15. — Governor James M. Cox will visit Camp Sherman Friday morning at the invitation of General Glenn, and the war council. A grand review of troops has been arranged by General Glenn and an elaborate program of entertainment has been arranged.

U. S. WILL PARTICIPATE

Washington October 15.—Secretary Lansing today said that consideration was being given to the question of having the United States represented at the coming Paris conference of the allies. He indicated that no definite conclusion had been reached.

It is understood the Russian situation will be the principal topic of discussion, although the submarine question will be considered. Efforts are being made to have all the allied powers represented.

NO BARNSTORMING BY THE N. Y. GIANTS

By Associated Press Dispatch.

New York, October 15. — Players participating in the world series will be forbidden to engage in post series games. It was announced here today

by the National Commission.
 From each player's share in the world series money the sum of \$1,000 is to be retained until January 1st, as guarantee against the players breaking the new rule. This money will be refunded after January 1st in each case if the rules have not been broken.

NEW TRACTION LINE TO CAMP SHERMAN

By Associated Press Dispatch.

Chillicothe, O., October 15.—Announcement was made here today that the government will construct a double track traction line from the head of Paint street to the northern terminus of Camp Sherman, with a loop at the northern end of the camp.
 The work will be started without delay and rushed to completion.
 The line will pass through the park, parallel the B. & O. for some distance, and pass under the B. & O. at the viaduct.

READY FOR REPRISALS

(By American Press)

London, Oct. 15.—Newspapers suggest that the government is ready to begin carrying out reprisal air raids on Germany. This belief is based on the assignment of Lieutenant General David Henderson, director general of military aeronautics, to special work, and the sending of Major General W. S. Brancker, director of air organization for the army, to a command abroad.

HOSPITAL NOTES

The two men, Wm. Duckwall and Howard Jett, that were injured Sunday in the wreck on North street and were rushed to the Fayette Hospital, were able to be taken to their homes Monday morning.

Some men are known by the friends they fail to make.

James R. McConnell, American Aviator, with the French Army, died "flying for France" in a fight with two German aeroplanes.

SOCIAL & PERSONAL

Patriotism will be the keynote of an unusually strong program which will be presented at the Ohio Federation of Women's clubs, holding its annual meeting at Akron, October 16th to 19th.

Never before in the history of the Federation has there been greater need for the inspiration and information that may be gained at these sessions. No president of a federated

club can afford to remain away and delegates may well feel that they are privileged in being chosen to carry back to their clubs information that can be gained with difficulty in any other way. The war makes of the greatest importance that the bulwarks of society shall be maintained and special attention has been given to securing speakers who will aid in the many social agencies throughout the state.

A message from the Federation president, Mrs. Zimmerman, writes all club women to bring their knitting if they so desire. Women have been knitting so long and so constantly that most of them can work and at the same time give constant attention to the subject under discussion.

Thursday evening at 6:30 the annual banquet will be held at the Firestone Clubhouse with Mrs. Beatrice Forbes Robertson Hale as speaker. Immediately following "Days of Yore" will be given by the Tuesday Musical club. It is desired that all delegates, alternates and visitors get their tickets Tuesday night and that they also attach their visiting card to their credential card and wear a knot of light blue ribbon to be the more easily discovered by the local train committee.

A thoroughly delightful even of Sunday was a family reunion at the home of Mr. and Mrs. N. T. Kelley, of near Danville, formerly of Paint township, this county, when the large family, with one exception, assembled at the family home. A feature of the day was the sumptuous dinner at the noon hour, composed of viands representing the expert skill of the daughters and daughters-in-law.

Besides the four children at home, the following children attended the reunion: C. A. Kelley, and family and E. C. Kelley and family, residing five miles east of this city; B. E. Kelley and wife, this city; Mrs. Clarence McCoy and family and Mrs. Eliza Draper and family, of northern Fayette, and Ora Kelley and family, of near Danville.

The music given by twenty-five of Miss Roxie Stinson's pupils at her studio Saturday was quite unusual, entire program consisting of duets taken from the leading operas of our standard music.

To get such numbers well performed demands much work from both pupil and teacher and even the smallest students were most careful and accurate in their playing—their attack being quite good.

It being necessary to limit the guests to capacity of the studio, sixty enjoyed the afternoon's program, at which the children had a social hour.

One of the most enjoyable dances of the younger set, in which a number of the older set participated was given Saturday night at the K. of P. Hall.

Forty couples followed Miss Mary Dahl and Lieut. George McConahay in the grand march which formed at nine o'clock.

The music furnished by Whelpley and Murray was full of "pep" and the dancers joyously tripped the "light

fantastic" until the hour of mid-night. Punch was on taps all evening.

The committee composed of Richard Willis Robert Reardon, William Henry Edwards, Joe Wilson, Richard Haynes Gail Roush, Willis Willis, Walter Weaver and George O'Brian; very graciously donated proceeds to the Red Cross.

The out of town guests were: Misses Dorothy Smith, Bainbridge, Mary Weaver and Juliette Mayer, of Delaware, Mabel Colwell, Dorothy Doster and Grace Ashley of Greenfield; Messrs L. Heath Vining and Albert Briggs of Camp Sherman, George Christopher, Arnold Duncan and Schock of Greenfield, Burris Tharp of Columbus, Paul Jacobs and Rian, of Philadelphia, Lieut. Dan Morgan, George McConahay and Sam Markem of Camp Sherman.

"Roasts" have proven very popular this fall and another was added to the number Saturday when Miss Forest Allen assisted by Mrs. Charles Lewis and Mrs. Frank Haines chaperoned a jolly crowd of young people to "Cedar Hurst."

Thirty boys and girls found the day one of great pleasure with the cooking of their dinner over a large bonfire, and other out-door sports.

Corporal Ray Kanable came up from Camp Sherman Saturday to be the guest of his sister, Mrs. Jesse Blackmer, over Sunday.

Mr. Arthur Buzick, of Toledo, is visiting Mr. and Mrs. S. F. Snider and Mr. and Mrs. Logan Buzick, Monday he accompanied Mr. Logan Buzick on a motoring trip to Chillicothe.

Mrs. Wm. J. Frayne, Jr., of near West Lancaster, visited her parents, Mr. and Mrs. C. H. Parrett, Sunday. Miss Helen Thompson spent Sunday with friends in Columbus.

Mr. and Mrs. George Davis, Mr. and Mrs. Ed Schlect and son Warren, spent Sunday in Middletown, visiting Clyde Davis and Ralph Schlect.

It is learned with great regret that Mrs. Anna Hays is critically ill at her home on So. Main street.

Robert Sollars was down from Ohio Wesleyan at Delaware spending the weekend with his parents, Mr. and Mrs. S. L. Sollars.

Miss Mary Collins came over from Urbana Friday evening and accompanied Miss Ruth McCoy to Chillicothe, Saturday.

Miss Mary Ramsey was down from Columbus spending the weekend.

Misses Nina and Mary Dahl and Miss Helen Baker were motoring visitors in Chillicothe Saturday.

Miss Wilma Hammer of Columbus spent the weekend with her mother, Mrs. Mellie J. Hammer.

Arnold Duncan and George Christopher of Greenfield were the guests of Walter Weaver over Sunday.

Mr. Wirt Shoop left Sunday afternoon for Kansas City, Mo., to finish his fall trip in the interests of the P. Hagerty Shoe Co. Mrs. Shoop accompanied him to Cincinnati, going on to Charlottesville, Va. to join Dr. and Mrs. C. M. Wilson at the home of her sister, Mrs. Hugh H. Hudson, for the week.

Mrs. J. W. Hughey returned the last of the week from a month's visit with Mr. and Mrs. Robert McElwain in Boston, Mass., she also made a number of side trips during her visit.

Dr. P. M. Cook and Mr. Arthur Lealand attended the Latonia races Saturday.

Rev. Wm. Boyton Gage spent Sunday in Greenfield in connection with the vacancy and supply work of Presbytery.

Dr. and Mrs. F. D. Woolard and son Frederick Jr., were the Sunday guests of relatives in Sabina.

Dr. and Mrs. C. C. Hazzard and children visited Mr. and Mrs. Clarence Martin in Chillicothe Sunday, bringing back their three year old son Harold, from a visit of several days.

Mrs. James Webb and daughter, Miss Belle, attended the funeral of Mrs. Webb's niece, Mrs. Jennie White near Wilmington, Sunday. Mrs. White was a sister of Mr. W. A. Tysor of this city and leaves a number of relatives here.

Mr. and Mrs. Tenny Reese who have been the guests of Dr. and Mrs. S. E. Boggs at Good Hope for the past week, returned to their home in Newark Saturday evening. Miss Bernice Boggs motored home with them for a two week's visit.

Mr. and Mrs. S. T. Simmons, of Columbus, spent the weekend with Mr. Simmons' sister, Mrs. Martha Wilson, south of town, and visited with Mr. and Mrs. W. W. Wilson, returning Sunday evening.

Miss Susie Templin spent Saturday in Columbus visiting her sister.

Mr. and Mrs. E. A. Squires, Dr. and Mrs. Esley, of Greenfield, and Mr. J. A. Squires, of Columbus, were Sunday guests of Mr. and Mrs. Arthur Lealand. Mrs. J. A. Squires accompanied her husband to Greenfield enroute to her home in Helena, Arkansas for a visit.

Mrs. W. N. Sylvester and Mrs. Jas. Melson were called to Bainbridge Saturday by the illness of Mrs. James Sylvester.

Mrs. John Ott of Hillsboro was the week end guest of Mrs. J. M. Coffey, Mr. Ed Darlington, well known

stock buyer, is giving up farming to devote all his time to his business and with his wife, moved early in November from the Greenfield pike to the house now occupied by Mr. Charles Griffith and family on E. Temple. Mr. Griffith expects by that time to be located with his family in the modern home he is erecting in the same neighborhood.

Mr. Renick Boggs left Sunday on a ten days business trip to New York, Cleveland, Toledo and Chicago. Mrs. Boggs will visit her sister, Mrs. Joseph H. Donnell, in Chicago until Mr. Boggs joins her upon his return from the east.

Miss Harriet Wood, of Greenfield, was the guest of Miss Georgiell Taylor for the week end to attend the foot ball game between Washington and Greenfield.

Mr. T. P. Watts joined his wife and son at the home of Mr. and Mrs. A. L. Tobin, in Danville Sunday and accompanied them home from a visit.

Charles Sheridan came up from Camp Sherman to spend Sunday with his parents, Mr. and Mrs. W. H. Sheridan.

Mrs. Burnette Hyer and little niece Lena Gibson were the guests of Mrs. Hyer's sister-in-law, Mrs. S. E. Barlowe, in Columbus over Sunday.

Mrs. Walter Thompson and little daughter, Willa Jane, of Fruitdale, were week end guests of Mr. and Mrs. W. R. Smith, Mr. Thompson joined them Sunday.

Mr. and Mrs. C. P. Jamison entertained at their country home Sunday Mr. and Mrs. James N. Douglas, Mr. and Mrs. Ernest Daniels, of Greenfield; Mr. and Mrs. Washington Lough, of Good Hope.

Mr. and Mrs. Harry Flee were over from Hillsboro spending Sunday with Mrs. Flee's mother, Mrs. J. L. Chapman.

Misses Mabel Colwell, Grace Ashley and Dorothy Doster of Greenfield were the guests of Miss Margaret Mark for the foot ball game and dance Saturday.

Misses Lucile and Katherine Henderson, Emilie Kannels and Dorothy Conklin of Wilmington were motoring guests here Sunday.

Mr. and Mrs. James Cook of Columbus were guests over Sunday of Mrs. Cook's parents Mr. and Mrs. Elroy Shobe.

Miss Nell Clybourn of West Liberty was the guest of her cousin, Miss Ruth Kelly, Monday, enroute to Chillicothe for a visit with relatives.

Mr. and Mrs. Joseph McKenny returned to their home in Dayton Monday morning after a visit with Mr. and Mrs. Oscar Kellhofer.

Mrs. John A. Parrett and Mrs. H. W. Duff are guests of Mr. and Mrs. A. W. Duff.

WELCOME NEWS COMES FROM FRANCE

Dr. Clayton Lannum has received two letters from his son Robert in France dated the 18th and 26th of September, and bearing the welcome news that the boys are all well and rapidly learning the French language.

There was a little excitement going over but nothing serious—just made them "feel funny".

On the day the last letter was written both young Lannum and his bunk mate received twenty five letters in a bunch—the accumulation of many mails almost like a visit from home folks.

CAMPERS HOME FROM BUZZARD'S ROOST

The party of campers from this city and county who had been in camp at Buzzard's Roost, Storms station broke camp Saturday afternoon and returned to this city on the afternoon D. T. & L. train, after two weeks' of delightful outdoor life, hunting, fishing and enjoying themselves as only a party of campers can.

A large number of choice fish were pulled from Paint creek during the stay in camp, and fish dinners were an every day occurrence.

TO BLOOMINGBURG

Mrs. Mary Trumper and Miss Alice Pinkerton, who for many years have made their home in New Holland, are moving to Bloomingburg to make their future home.

PYTHIAN SISTERS

BEGINS SECOND TERM AS AUDITOR

County Auditor Glenn M. Pine started today his second term as Auditor of Fayette county, taking the necessary steps required of those who hold office.

County Auditor Glenn M. Pine.

During his two years in the office as Auditor of Fayette county, Mr. Pine has proven himself not only a most efficient official, but one who has courteously given attention to all who applied at the office, and done all in his power to discharge the duties of the office faithfully.

In the reports of the State Examiners, who have examined the books of the Auditor, as well as those of all other county officers, Mr. Pine is given credit and merited praise for the business-like manner in which all departments of the office were conducted.

COAL SITUATION REPORTED BETTER

The coal situation in this city is improving and during the week quite a number of car loads will be available for consumers in this city.

Two of the cars of state coal recently ordered to this city were being distributed Monday, and other coal having arrived, the coal dealers were generally pretty busy filling orders that had been on the books for weeks.

One dealer was expecting four or five cars at any hour, and other dealers were expecting several cars each before the end of the week, so that with moderate weather this week the situation should be well in hand insofar as an immediate supply is concerned, although it may be weeks before an adequate supply for the winter is on hand. There are indications that the fuel question will be a perplexing one during much of the winter.

RALPH STROBEL ENJOYING CAMP LIFE

The report that was circulated in this city Saturday to the effect that Ralph J. Strobel, failed to pass examination at Camp Sherman and was discharged, is false, as Ralph enlisted in Cincinnati two months ago and was transferred to Camp Sherman for training. Unless Camp Sherman possesses two Ralph Strobel's, The Enquirer is in error, as C. M. Johnson County Recorder visited Strobel who is his nephew, Sunday and found him in fine spirits and fully enjoying the camp life.

LYMAN HOWE PICTURES NOVEMBER FIRST

The Lyman Howe Picture Attraction will be shown at the High School Auditorium, November the first, under the auspices of the Woman's Guild of the Presbyterian church.

RECRUITING OFFICE OPEN HERE THIS WEEK

Anyone wishing to join the army may enlist at the Arlington Hotel, this city, Corporal John W. Schmidt of Cincinnati, will be here the remainder of the week for the purpose of taking the applications of all those who wish to join the army.

A Recent Ruling of The U. S. Government

makes it unlawful for Flour Mills and Elevators to store wheat for the farmers and give him flour in exchange during the year.

A number of our customers who have been storing their wheat at the mill or elevator, have bought their year's supply of flour at our store.

We allow them the privilege of taking out the flour as needed.

A customer came into our store Saturday evening with a check for \$64.96 in payment for 1137 pounds of flour he had in storage. We sold him 1196 pounds of flour for \$64.80. He gained 39 pounds of flour by buying it at our store, and paid 16c less for it.

You receive at the elevator \$2.00 for your wheat. We will charge you \$10.80 per barrel for Monitor Flour

In other words, for every bushel of wheat or its equivalent, \$2.00, you will receive at our store 36—8.27 pounds of flour.

The mill or elevator has heretofore allowed you 35 pounds of flour for each bushel of wheat. You will gain by buying from us 1—8.27pounds of flour per bushel of wheat. You can come to our store and get your flour as you need it. It will possibly be more convenient for you than going to the mill or elevator for it.

Monitor Flour Lower
\$1.40 per bag. \$10.90 per barrel
In 5-bbl. lots and over \$10.80 per bbl.

I Offered to Sell

My Horses, Wagons and Harness

not because I am going out of business. I am not, but I cannot handle them for the reason that I am crippled.

I intend to put in Elmer Carder as the manager to attend to the rigs. They are still for sale.

Also I will handle peaches, potatoes, cabbage, bananas and pears, and if any man undertakes to undersell me I will take my hat off for him. I will sell stock for the benefit of the public.

Watch For The Wagons

for they will have my name on them. Whatever they sell I will be in back of them. If it isn't satisfactory money refunded. Watch for the wagons that have the name

FORTY SPEEDERS LAND IN TOILS DURING SUNDAY

Deputies and Sheriff Pick Up 27 Speeders Going Over 30 Miles Per Hour and Police Get Thirteen, Most of Whom Pay \$10 and Costs.

According to announcement Monday morning 40 speeders were caught in act of flagrant violations of the law, Sunday, and have either been fined or will be cited to appear and pay their fines.

Sheriff Jones and two deputies, George Melvin and Clarence Sheeley, operating on the Jamestown pike, picked up 27 speeders who were running anywhere from 35 to 50 miles per hour, many of them going from side to side of the road, a few racing, and the entire number said to be violating sections 12603 and 12604 of the statutes dealing with excessive speed.

Not a man was touched who was going 30 miles or under on the rural highways. In the city a dozen of the speeders were taken to the Mayor's office where each left \$10 and the costs behind for his little joy ride while in the city limits. Two machines were traveling so fast their numbers were not obtained.

Several machines were picked up while racing near this city.

From Sheriff Jones the following list of numbers and the speed reported is given, indicating the speed maintained by many autos while tearing up the country roads:

Number 296855, 42 miles per hour;

D776, 47 miles with one number only and passed eight closely bunched cars; 281008, 35 miles per hour and running all over the road; D1857, 42 miles; 7876, 37 miles; 277144, 47 miles going toward Chillicothe, caught by Sheriff Jones on return at 40 miles per hour; 145854, 37 miles; 158920, 46 miles; 21785, 40 miles; 179329, 48 miles per hour; 152613, 50 miles per hour; 311302, 45 miles; 332502, 45 miles on one number; D776 again in evening, 45 miles; 76233 and 314906 raced 40 miles; 68569, 35 miles; 71194, 45 miles; 18584, 40 miles; 122113, 35 miles; 159805, 38 miles; D2235, 40 miles; 203813, 35 miles; 277144 and 321886 racing at 40 miles per hour at edge of town.

WOMEN HAVE THEIR TROUBLES

Not only middle-aged women, but younger ones, too, suffer from backache, pains in side, swollen ankles, sore muscles, rheumatic pains and kindred ailments without knowing that these are most often the result of deranged or overworked kidneys. Foley Kidney Pills are good medicine for kidney trouble. Blackmer & Tanquary.

CAME IN TO BE LOCKED IN JAIL

Robert Hause, convicted of stealing coal, walked into Sheriff Jones' office Sunday night and announced that he had come to be locked up until Monday morning when he was to be taken to the workhouse.

The appearance of Hause was in agreement with a promise made to Sheriff Jones on Saturday that if allowed to remain with his family until Sunday evening, he would then come to the county jail.

Hause has a wife and two small children residing on Lovers' Lane, east of this city. He was sentenced to 30 days in the workhouse and fined \$100 and the costs for coal stealing.

Hause offered to take his own commitment papers and go to the work-

DON'T let cheap PREMIUMS BLIND YOU to coffee Quality

WHEN you buy good coffee don't expect to get a premium. The cost of a premium always comes out of the quality. We could give a premium with Golden Sun Coffee, but the price would have to be increased. You would get a better premium at the 10-cent store, anyway. Golden Sun is chaffless, dustless, extra-strength. Makes more cups to the pound—each cup of delightful flavor, clear in color and free from bitterness. Sold only by grocers.

Golden Sun Coffee

THE WOOLSON SPICE CO. Toledo, Ohio

house alone, but this is contrary to the rules.

Monday morning Hause and William Russell, also sentenced to the workhouse for stealing coal, and who had appeared at the time agreed to, were escorted to the workhouse.

Paper Caps, Aprons, Greeting Cards Etc., at Rodecker's News Stand.

BAPTIST CHURCH FELLOWSHIP CANVASS

Last Sunday from 2 to 5 p. m. the Baptist Church conducted an every-member fellowship canvass.

Fifteen teams of two each, made 251 calls at the homes of the members. The objects were to strengthen the bonds of Christian love, and good fellowship, to learn how to work better together, to increase the serving capacity and worship life of the individual and the church.

Vital information was also obtained as a basis for work. In the membership, such as the number of regular attendants, occasional, and non-attendants.

Also the number attending Sunday School, and members of the Cradle Roll and Home Department. Those who are members of the Women's Mission Circle and the B. Y. P. U.

This information passes through the hands of the pastor and heads of all departments who will endeavor to enlist every member in some part of the work and encourage, stimulate, and interest all.

The visitors all returned to the church at 5 p. m. with their reports. All were enthusiastic, and filled with spiritual joy.

Luncheon was served to the workers. The committee who prepared and directed the canvass were Howard McLean chairman, Miss Lina Willis and Albert Snider.

Too much credit cannot be given the committee and the canvassers for efficiency, faithfulness, wise consideration and tact in their work.

At the close of the evening service a tabulated report was made by the committee before a large and appreciative audience.

RUMMAGE SALE

Women are urged not to forget the Welfare Rummage Sale to be held at the Bending room on E. Court on Thursday, Nov. 2nd.

NOW \$25 PER MONTH PENSION FOR WIDOWS

John T. Oatneal, pension attorney is now filing pension claims under the new pension law, for widows, passed October 4th, 1917, which provides \$25 per month for widows of enlisted men and officers of the United States who served in the army, navy or marine corps, in the Civil War, the war with Spain, or the Philippine insurrection.

SUPPORT ASKED FOR NEW LOAN

(By American Press)

Washington, Oct. 15.—The president issued a proclamation setting aside Oct. 24 as Liberty day and urging the people of the nation to assemble on that day in their respective communities and "pledge to one another and to the government that represent them, the fullest measure of financial support."

"Let the result be so impressive and emphatic," the president urges, "that it will echo throughout the empire of our enemy as an index of what America intends to do to bring this war to a victorious conclusion." The president's proclamation follows:

"The second liberty loan gives the people of the United States another opportunity to lend their funds to their government to sustain their country at war. The might of the United States is being mobilized and organized to strike a mortal blow at autocracy in defense of outraged American rights and of the cause of liberty. Billions of dollars are required to arm, feed and clothe the brave men who are going forth to fight our country's battles and to assist the nations with whom we are making common cause against a common foe. To subscribe to the liberty loan is to perform a service of patriotism."

"Now, therefore, F. Woodrow Wilson, president of the United States of America, do appoint Wednesday, the twenty-fourth of October, as Liberty day, and urge and advise the people to assemble in their respective communities and pledge to one another and to the government that represents them, the fullest measure of financial support. On the afternoon of that day I request that patriotic meetings be held in every city, town and hamlet throughout the land, under the general direction of the secretary of the treasury and the immediate direction of the liberty loan committees which have been organized by the federal reserve banks. The people responded nobly to the call of the first liberty loan with an oversubscription of more than 50 per cent. Let the response to the second loan be even greater and let the amount be so large that it will serve as an assurance of unequalled support to hearten the men who are to face the fire of battle for us. Let the result be so impressive and emphatic that will echo throughout the empire of our enemy as an index of what America intends to do to bring this war to a victorious conclusion."

"For the purpose of participating in Liberty day celebrations all employees of the federal government throughout the country, whose services can be spared, may be excused at 12 o'clock, Wednesday, the twenty-fourth of October."

An appeal to the "wage earners of the United States" to invest in the bonds was issued here by Secretary Wilson of the department of labor.

Official reports of subscriptions up to the close of business sent by 11 of the 12 reserve banks, show but little progress, the total standing at \$359,654,900, or only about 8 per cent of the \$5,000,000,000 hoped for.

RALLY DAY AT STAUNTON

Sunday will be Rally Day at Staunton. Special program with addresses by Hon. C. A. Reid and Rev. Rose. Songs by the children. Everybody come.

VOTE OF TROOPS

(By American Press)

Washington, Oct. 15.—The war department, at the request of state officials, is considering the practicability of extending to the troops in France the same privileges as to voting or otherwise continuing their participation in the political life of the country that are to be granted to soldiers training in the United States. The question presents many difficulties and no decision has been reached. It has been held that the troops in France are on American soil within the purpose of the law, but some army officials feel that it would be carrying the effort to protect civilian rights to an extreme to attempt to poll a vote of an army in the trenches. Practical difficulties, they said, may serve to produce a ruling against such proceedings.

PRESBYTERIAN W. M. S.

The Woman's Missionary Society of the First Presbyterian church will meet at the home of Mrs. Jas. A. Crawford, N. North street, Wednesday afternoon, at 2:30 o'clock. The ladies of the church are cordially invited to attend this meeting.

"I FEEL MORE LIKE WORKING NOW," SHE SAYS

Woman Says Health Has Improved a Hundred Percent Since She Gave Tanlac a Trial.

"My health has improved 100 per cent since I started taking Tanlac and I feel more like working now," said Miss Helen Ernst, 41 Jourgens Avenue, Cincinnati, employed at a Kroger grocery.

"I used to feel worn out and weak most of the time before I took Tanlac," Miss Ernst continued.

"I had such a poor appetite that even the most tempting food didn't appeal to me and my stomach wasn't able to digest the little food I did eat. I tried lots of medicines but nothing seemed to do me any good. Finally my father, who had taken Tanlac recommended it to me and I got a bottle."

It wasn't long until my appetite had come back and now I never have weak spells like I used to and I can walk up steep hills and not even have to breathe hard. My nerves are in fine shape now, too, and I sleep soundly every night."

"Yes, my health is 100 percent better than it was before and I give Tanlac credit for it all."

Tanlac is especially designed to build up run down systems. Get Tanlac if you are not feeling right and get it today. Delay in health matters is dangerous. You can get Tanlac at Blackmer & Tanquary's, Frank Christopher's, or C. H. Haver's drug stores.

COMING!

Monday Evening
October 15, 1917

BETTY

FAIRFAX

Of The Columbus Dispatch

will give an entertainment in the Presbyterian Church at Bloomingburg, O. In addition to her programme she will answer any questions that may be asked. A box will be placed at door for same. Also several home talent numbers of music will be given. Admission 15 and 25 cents. Come and bring a friend for an evening of enjoyment.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

Are your clothes faded? Then use Red Cross Ball Blue; makes them look like new. All grocers.

CRASH OCCURS AT NORTH AND PAINT SUNDAY AFTERNOON

As result of a crash between an automobile driven by Prosecuting Attorney Crabb, of Madison county, and a motorcycle bearing William Duckwall and Howard Jetts, at the intersection of Paint and North streets, shortly after noon, Sunday, the men on the motorcycle were taken to the Fayette Hospital, both suffering cuts and bruises of a very painful nature.

The motorcycle, going at a rapid rate of speed, was headed east on Paint street, and the automobile was coming down North street when the collision took place.

The automobile was badly damaged and Prosecutor Crabb slightly injured. Other occupants of the machine were slightly injured.

When the motors came together the two men on the motorcycle were hurled to the street.

Duckwall sustained a gash in the throat from which the blood poured freely.

Within a few minutes the men were hurried to the Fayette Hospital where their wounds were dressed, and where they were soon resting as easy as possible, considering their injuries.

The damaged automobile was taken to a garage for repairs. The motorcycle was so badly damaged that its repair will be difficult.

LOUISE GLAUM IS THE PEACOCK WOMAN IN NEW TRIANGLE PLAY

Never has Louise Glaum, known as peacock siren of Triangle plays, worn such gorgeous clothes as those she affects in "Idolaters," which will be shown at the Colonial Theater tonight.

Posed before an image of the sphinx in her Egyptian bedroom, a mirror held aloft in her hand and her long silken gown sweeping over a glass panel through which pours a golden light, she is the symbol of vanity. Another costume that will attract remark is a clinging creation of cloth of gold, straight of line and unadorned except for a cord around the waist.

This gown was worn by Miss Glaum at a recent picture ball where she led the grand march. The Oriental motif, ever dominant in her costumes, is evident in a boudoir garment, consisting of harem trouserettes of chiffon. A panel of black velvet, against which a long string of pearls is outlined, hangs from the shoulders down the front of this costume.

The star has the role of a vanity-stricken woman who uses no scruples in attaining success on the stage. Her love of luxury, indicated by the Egyptian "love nest" that she occupies, carries her beyond sanity. Retribution of ironic force is visited upon her, when, in a moment of rage, she kills a lover who has sacrificed his own career for her. She is forced to take flight, and her only refuge is in a sordid tenement of an ugliness which she has always loathed.

F. AND A. M.

OLD BELL RETURNS TO NATIVE CITY

A great many years ago a large bell was cast in this city at the old foundry on S. Main street, and for many years has called the youngsters to school from the top of the old school house along the Kelley Dixon estate, on the Good Hope pike.

The bell, which weighs upward of 1,900 pounds, recently came into the possession of Mrs. Henry W. Jones, of this city, and is now in the basement of the court house, apparently in as good condition as it was years ago when it left the old foundry where the Thornton coal office now stands.

It is the intention of Mrs. Jones to dispose of the bell to some church or school where a bell is desired.

GOOD CONSCIENCE OF OHIO CITIZENS SHOWN IN FIGURES

COLUMBUS, O., October 15.—People of Ohio, left alone with their conscience, have shown that they are the best assessors of their personal property, according to a statement made today by the state tax commission.

Comparison of returns made under the non-partisan voluntary tax law of 1917, show a gain of more than 400 per cent over the work of the assessors in 1916.

The state tax commission has completed the work of comparing the personal tax returns of 1917 in 51 counties in 1916. A gain of \$128,048,085 in valuations was shown. Personal property returns for the 51 counties for 1917 was \$879,587,403. For 1916 the returns were \$751,539,318.

"These results speak for themselves," says a statement issued by commission today "and certainly leaves no solace for those who have preached and defended so strongly the old personal assessor law, even to the extent that any assessment made otherwise would be an utter failure. In addition to the large increase in valuation, each of the above counties made a large saving in cutting down the cost of work on account of the people making their own returns in place of paying an assessor. Only one county of the 51—Ottawa county—shows a decrease, and its loss for 1917 is less than the decrease shown in 1916.

"One of the main complaints made against the new law was the form of the tax return blank, which to some appeared complicated. The tax commission now has under consideration changes that, it is thought, will simplify and minimize these objections."

UNABLE TO TRAIN A NEW CABINET

(By American Press)

Stockholm, Oct. 15.—M. J. Widen, president of the second chamber and former minister of the interior, who was charged by King Gustave with the formation of a cabinet, has replied that he is unable to accomplish the task. The king now has invited the Liberal leader, Professor Eden, to organize a ministry.

LIVE WIRES FROM OHIO'S TRAINING CAMP

Interesting Notes Radiating from the Soldier Factory at Chillicothe.

By Associated Press Dispatch.

Camp Sherman, Chillicothe, O., October 15.—It is becoming evident at Camp Sherman why the European war is sometimes referred to as "the lieutenants war."

Enlargement of companies to the French and British strength of 250 men makes the lieutenant, instead of the captain, the "personal leader." Under the old American army plan, the captain was the personal leader. But under the enlarged company plan which is being worked out here, the captain has practically relinquished that place to the lieutenants, who command the four platoons into which each company is divided.

The captain now occupies much the same position as the major occupied under the old organization scheme.

There is an interesting study of men at hand in Camp Sherman. Between thirty-five and forty thousand of them furnish types, nationalities, personalities, and every other side of life that could be found in any collection, and it probably is more varied here because the "prime age" is represented and there are men from every conceivable class.

At this particular time, the actions and characteristics of men who are officers and non-commissioned officers perhaps is the most noticeable thing to outsiders. There are officers here who might be classed with the "princes" of all time. They are jolly good fellows, hail-fellows-well-met and all other kinds of good fellows. They abound in the ranks of both the commissioned and non-commissioned of ficers.

Then there are the fellows who have been lifted to heights of power, influence, haughtiness and everything else that is "up there," if you would judge by their actions and demeanor. They are the type the selective draft men refer to as the "Quinces of good fellows." They usually have their eyebrows arched and an appearance of disdain bursting from every seam. They want all to make way for them, do their bidding and—they want to run things. They have little diplomacy and respect for others.

Fortunately for the drafted men, such officers are in the minority. Most of the officers are real men.

The old-time county fair way of drinking cider through a straw is becoming the popular way of drinking coffee at Camp Sherman. It is about the only way the selectives can get a good hot cup of Java without getting their lips burned.

Cups used at the camp are of aluminum, which is a good conductor of heat. Hot coffee makes these cups almost hotter than the coffee itself. So it is either suffer burned lips or let the coffee cool. Or—as a few selectives have discovered, use a straw and forget about the hot rim of the cup.

CARD OF THANKS

We desire to thank our many friends for the sympathy and kindness shown us in the loss of our darling little Genevieve and also for the lovely flowers.

Mr. and Mrs. J. M. McDonald and Family.

CAR SHORTAGE CAUSES UNEASINESS

Chicago, October 14.—Heavy movement of grain and other crops is causing a constantly increasing shortage of box and refrigerator cars on all lines to Chicago from southern, southwestern, western and northwestern states," said D. I. Forsyth, vice president of the Chicago Car Service Committee.

"These crops must be moved for domestic consumption and by the countries allied to us in the war. It requires 2,500 cars daily to supply food and other necessities to our soldiers in training in this country, to say nothing of those abroad.

"The railroads are making every possible effort to move grain, grain products and other food supplies before winter weather sets in and reduces the efficiency of men and locomotives. Hence the necessity for every user of freight cars to load them to full capacity, and load and unload them with the least possible delay, is greater than ever before and will become more urgent.

"Every freight car that stands idle when it might be in service is prolonging the war, will cost more lives and tend to increase generally the cost of living."

BOTTLE SAVED LIFE

(By American Press)

Hammond, Ind., Oct. 15.—It was discovered that a bottle of poison, hung about his neck like an amulet, saved the life of Oscar Landmesser, an evangelist, who shot at everyone in Judge Barnett's courtroom last week, killing his rival in love, Fred Boehm, and falling wounded by a shot fired at him by James E. Trost, court bailiff.

It was learned that Landmesser had placed the poison on his person to be used for suicide in case he lost his defense against a charge that he had offended a young woman.

DIVISION SUPERVISOR'S HEADQUARTERS HERE

P. A. Clark, Supervisor of the Ohio Division, B. & O., has moved his headquarters from Cincinnati to this city and will have them temporarily located in the old B. & O. freight station.
